DeMarini TOP 96 Weather Policy

Please know that we cannot control the weather and that like any other outdoor event the DeMarini TOP 96 Clinics are at its mercy!

Before your arrival on day one of the DeMarini TOP 96 clinic, we will have already incurred all of the expenses associated with the clinic including:

- Facility rental fees
- Travel and lodging expenses for our staff and instructors
- Instructor fees
- Fees for printed materials and uniform costs.

Therefore, the DeMarini TOP 96 cannot refund any of the clinic registration fees if the event is not completed due to weather.

However, in case of inclement weather, the DeMarini TOP 96 will make all reasonable efforts to conduct as much of the originally scheduled clinic activities as possible. We have arranged for back-up indoor facilities at each of our locations and we will use them as needed, even if it means staying late into the night or starting early in the morning.

In case of inclement weather, the DeMarini TOP 96 will not be able to reschedule the clinic. It will be impossible, for the college coaches we have hired, to reschedule at a later date as they all have other commitments either for recruiting or instructing at other camps.

In case of inclement weather:

1. Decisions concerning the weather will be made by the DeMarini TOP 96, the facilities owner, the clinic host, and/or the umpires at the clinic site.
2. If the scheduled activities on day one are not completed, either outdoors or indoors, they will be moved to day two and the games scheduled on day two may be cancelled.
3. If the day one activities carry over to day two then, at the sole discretion of the DeMarini TOP 96, the games previously scheduled for day two may be played at the completion of the day one activities either in their entirety or in a shortened format or may be cancelled all together.

The DeMarini TOP 96 refund policy, in case of weather-related cancellations is: "there will be no refunds, if the clinic is cancelled in part or in total due to inclement weather."

In case of a natural disaster, such as a hurricane, earthquake, tornado, etc. we will do our best to reschedule the event but can not guarantee that all of the colleges originally listed will be in attendance. In these cases, the clinic may be cancelled in advance. If it can't be rescheduled, we will refund your registration fee less any expenses that we have already incurred.

DeMarini TOP 96 Registration Fee Protection Plan (RFPP)

The DeMarini TOP 96 maintains a no-refund policy for all of our clinics, however players may purchase our “Registration Fee Protection Plan” (RFPP) to guard against changes in their plans that might cause them to unexpectedly drop out of a clinic.

The RFPP is **ONLY** available for purchase when you register for an event (pay your registration fee). Further, it’s only available if you register *at least 15 days in advance* of the event.

An RFPP is \$75 per event.

Here is a benefits comparison:

Cancellation Time	Benefits with RFPP	Options if no RFPP
15 Days or More Before the Clinic	100% refund of registration fee OR No charge to apply your registration fee to another clinic (including a clinic next year) that has an available position.	No refund. \$125 fee to apply your registration fee to another clinic (including a clinic next year) with an available position.
14 Days or Less Before the Clinic	No refund. No charge to apply your registration fee to another clinic (including a clinic next year) that has an available position.	No Refund. \$200 fee to apply your registration fee to another clinic (including a clinic next year) with an available position.

To use your RFPP, you must send an email to our administrator at admin@top96.com. Your email’s time stamp will be the date we use to determine your refund category. You should state in your email, the player’s name and the name of the event from which you are canceling, as well as the option you are choosing (e.g., refund, transfer, etc.). You need **NOT** provide any reason for canceling if you have purchased the RFPP. We will send you an email, with confirmation of your request for the change or refund.

This Registration Fee Protection Plan offers no benefits if the event is rained out, please see our weather cancellation policy.

Each Registration Fee Protection Plan can be used **ONLY** one time. For example, you use your RFPP to transfer to another event, and then find you again cannot participate. You will have to pay the appropriate transfer fee to change events a second time. You may not use the original RFPP for a second transfer. In all cases, you also will owe or receive credit for any difference in registration fees upon transfer.
